

PURITY & TERROIR

## Chablis HOMMAGE

2021

Cuvée in tribute to Raymond Bachelier, Francine's father. The vines are on a hillside in Villy, giving another Chablis style, releasing a more saline, more iodized minerality reminiscent of the other component of the Chablis geology and its small oyster shells called Exogyra Virgula.

### Tasting

Precise, sharp and clean nose that might seem a bit subdued but this subtlety also allows a saline side to shine. A bit of breathing opens everything up and brings on hints of ripe pear and apple. The mouth follows the same path with a more exuberant impression with a rich sunny fruitiness. The superb length goes on with a sea-front like minerality which is typical for the appellation.

### Vinification

Reception on sorting table. Traditional vinification (pressing, alcoholic fermentation, fermentation malolactic and aging in vats).

VITICULTURE  
**TERRA  
VITIS**  
RESPONSABLE

### Grape variety

Chardonnay

### Density

6,500 vines/ha

### Type of soil

Clay-limestone

### Age of vines

50 years old

### Geographical situation

On slopes  
Permanent sunshine

### Tasting temperature

12°C

### On-call time

3 to 10 years

### Alcohol Degrees

12,5% vol.
